## A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

## CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground (Ascot United) and won the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup, aka the League Cup.

## AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying the state of the art 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

## History of Eastbourne United AFC

Eastbourne United AFC began its existence on the 5th September 1894 as the 1st Sussex Royal Engineers Volunteers (Eastbourne) FC following success in a football tournament at Sheffield Park near East Grinstead as part of a training camp for Sussex Companies of the Regiment.

The new club adopted the Regimental colours of red and blue stripes, but with no home ground the first two matches were played on the field of South Lynn School in Tutt's Barn Lane; and numerous other venues were used in those early years, although the new club also returned to Sheffield Park to play.

In 1920 the club's name was changed to Eastbourne Royal Engineers Old Comrades and joined the Sussex County League the following and became known as Eastbourne Old Comrades FC and started wearing the white and black stripes on their shirts. In 1927 they broke away from the Sussex County League and joined the Spartan League shortening their name to Eastbourne Comrades FC.

They re-joined the Sussex County League in 1935 and re-joined a year after the end of WW2 for the 1946/47 season, when they moved to The Oval. The club's achievements at that time were very mediocre and in 1951 the name was changed to Eastbourne United.

The club's fortunes changed with the new name and a new coach, George Smith, and between 1953 and 1956 they were twice County League champions and runners-up once. That success saw them move into the Metropolitan & District League in 1956 and in 1964 United joined Division Two of the Athenian League, winning the championship in 1966/67.

Two seasons later, another promotion followed as runners-up and United were promoted to the Premier Division. After just one season though, they were relegated back to Division One. However, in 1973/74 the League was re-organised, and the Premier Division scrapped.

In 1975, United were relegated to Division Two, and when the Athenian League was disbanded in 1977, joined Division Two of the Isthmian League, and subsequently Division Two (South) following reorganisation in 1984. When further changes to the Isthmian structure were made in 1991, United found themselves in the new Division Three and after one season, opted to re-join the County League.

Placed in Division Two of the County League, they struggled initially and in 1996 came perilously close to dropping down into intermediate football after finishing bottom. They recovered however, and within two years had won promotion to Division One as runners-up to East Preston. In 2001/02 however, United were relegated once more. The decision was made to amalgamate with fellow Division Two club Shinewater Association FC at the end of the 2002/03 season and play at The Oval.

Under the leadership of former Shinewater manager Dave Shearing, the new club won promotion back to Division One at the first attempt after finishing third behind champions Littlehampton Town, and runners-up Worthing United. That progression was maintained in 2004/05 with another excellent campaign and 5th place in the topflight of the County League. With constant rumours of disquiet off the pitch in the local media, Shearing resigned at the end of the 2005/06 season with the Club in 14th position. He was succeeded by former Hailsham Town boss Brian Dennis.

Dennis brought success to Eastbourne United AFC at the end of the 2008/09 season when they lifted the RUR cup for the first time since 1956 and also reached the top of the table, but the Sussex FA had spotted that Chichester City had fielded a banned player in their squad and were deducted points, the Sussex FA had talks whether to award points to sides who have played against a team fielding an ineligible player, which would mean Horsham YMCA would be promoted. However, the Sussex FA declared that no points were to be given back and United were the Sussex County League champions, for the first time since 1956, giving Eastbourne United AFC the league & cup double.

## History of Eastbourne United AFC - Continued

Due to FA ground grading requirements, in 2010 the committee took the decision to cut the first team playing budget and focus all monies into the long-term aim of redeveloping The Oval. This resulted in nearly all of the first team squad leaving for pastures new and Dennis looking for new players.

A poor start to the season saw Dennis relieved of his duties in October 2010 with the club languishing at the bottom of Division One. United promoted Reserve Team manager Paul Daubeney to First Team Manager but he was unable to save United from relegation to Division Two for the first time since 2003 as the club picked up just 10 points from 38 games.

The 2011/12 season was one of hope at The Oval with the ground redevelopment starting to take shape, but a poor start left United in the bottom half of the Division Two table, but United turned a corner in September as new signings rejuvenated United and the club went 17 games undefeated to progress in the league table.

A 6th place finish proved to be the best United could wish for, despite doing the league double over local rivals Hailsham Town.

The 2012/13 season brought renewed optimism to The Oval, with the stadium officially reopened with the visit of Brighton & Hove Albion and a blistering start to the league season.

A 2-1 victory over Ryman Premier League side Lewes proved to be the highlight of the season that ended in disappointment with Paul Daubeney failing to guide United to promotion despite occupying a place in the top three for most of the season. Daubeney resigned in May 2013 due to work commitments and was replaced by current manager Simon Rowland. Daubeney's departure saw all but two of the 2012/13 squad leave The Oval, leaving Rowland and Assistant Manager Scott Price with the task of assembling a brand-new squad. After a busy pre-season, United began their league campaign with a 6-1 victory over Rustington, quickly followed by a 7-0 victory over Saltdean United.

United took their place in the FA Cup for the first time in three seasons and defeated Lordswood (4-1) and Ryman South side Herne Bay (2-1) following a replay before ultimately losing out to Folkestone Invicta. Rowland has also led EU AFC to their best performance in the FA Vase after reaching the semi-final of the prestigious non-league competition, claiming victory over higher league opposition in every round, scoring 28 goals in the process before going out to eventual winners Sholing.

Despite the heartbreak of the FA Vase defeat, United sealed a memorable season by securing the SCFL Division Two title on St Georges Day by defeating Oakwood 3-0.
