The blues will want to keep pushing for the play-off places. So let's do what we can to support the lads as they continue their quest to increase their goal tally and deliver a good performance in front of the home crowd.

If this is your first visit, there is plenty of free parking available within the ground if everyone parks sensibly and close enough to the next vehicle. Please be careful not to restrict the flow of traffic or block driveways if you do park outside the ground and always keep valuables safely out of sight, on your person or better still leave them at home.

If you arrive early for today's game you can wait in The Blues Bar from 17:30, visiting teams will have access to the changing rooms when our first team management arrive and as usual we will open our turnstiles approx. 45 minutes before kick-off. Just so you are aware, it is cash only at our turnstiles, cash and cards are accepted everywhere else within the ground.

Our pitch side snack bar, M&Ms, is open for supporters this evening and there's a wide selection of hot and cold food and refreshments on sale including burgers, hotdogs, chicken burgers, bacon rolls and cheesy chips, plus a great selection of beers, barista coffees, hot chocolate and even Bovril.

## A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

## CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground (Ascot United) and won the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup, aka the League Cup.

## AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying the state of the art 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

# History of Hilltop FC

Hilltop Football Club is based in Stonebridge and was founded in 2005. The club is currently a member of the Combined Counties League Premier Division and from the 2024/25 season ground share with Beaconsfield Town FC at Holloways Park.

The club was named after a road in Stonebridge called Hilltop Avenue, where most of the players lived at the time when the club was formed.

In 2007, Hilltop joined Division Three of the Middlesex County League and gained promotion to the second division at the first attempt. Then, after just two seasons of playing in Division Two, the club left the league.

Hilltop eventually re-joined the Middlesex County League Division Two in the 2014/15 season, and the following season were relegated to Division Three having finished bottom of the league.

However, the club's management was reformed at this point in their brief history, and success followed. After finishing second in the league, the club was promoted back to Division Two and has since enjoyed a series of triumphs. Winning the league at the first attempt and, with it, earned promotion to the Middlesex County Leagues Division One.

The 2018/19 season was another turning point for the club. At the first attempt, Hilltop won the league without losing any games and only conceded 13 goals over the whole season. The club also won the Middlesex County Junior Cup, defeating Western Athletic 6-1 in the final, but were denied a treble as they lost the final of the Jim Rodgers Presidents Cup to Clapton CFC.

After the reconstruction of the non-league football pyramid, the Hilltop were promoted to the Combined Counties Football League Division One on the back of winning the 2019/20 Middlesex County League Premier Division on points-per-game after a season that was ended early due to the Covid-19 pandemic.

In their first season as a semi-professional club, Hilltop surprised many with their style of football and managed to finish 2<sup>nd</sup> in Combined Counties Football League Division One and losing the playoff final, missing out on promotion to Combined Counties Premier Division. However, the club was promoted to the Combined Counties Premier Division, having been offered the vacancy left by Staines Town. This makes it back-to-back promotions for Hilltop, who continue to go from strength to strength.

As the first team has risen through the leagues, the wider club has developed too. Last season, the club launched a reserve team who competed in Division One of the Middlesex County League, as well as a women's team that compete in the Greater London Women's Football League, not to mention a number of youth teams.

Hilltop draws many of its players from the Somali community in London, and from time to time enters Somali tournaments around the world, having done so in Canada and Somalia. The club also participates in the Somali British Champions League, of which they are the current holders.

The team's success in recent seasons, and their exciting brand of football, has not gone unnoticed. Hilltop manager Abdullah Mohammed was recently appointed as the assistant coach of the Somali national team, and forward Ali Mohamed received a call-up to the senior Somalia side for the first time in 2021 as well.

## Our FIFA Certified 3G Pitch

[Burnham Football Club](#) has invested heavily in a FIFA Certified state-of-the-art 3G artificial pitch. Along with free parking and hospitality, this is the perfect facility for hosting charity matches, corporate football matches or even filming promotional videos. If you would like to book our [3G pitch](#) you can do it using the booking form provided here. Simply tell us your dates and times and we'll talk to you about availability and payment.

If you arrive early, for whatever reason, no problem. You can wait in the Blues Bar or in the outside seating area until your allocated start time. We also ask you to allow enough time before your paid session ends for the hand over. Once you have finished your match why not grab some refreshments from the [Blues Bar and Cafe](#) before leaving The 1878 Stadium. Further information: [What's the difference between 3G and 4G?](#)

### **Pitch dimensions**

115 yards by 75 yards. The distance of pitch from the dressing rooms is 5 meters.

## Important information for players, managers and spectators

We have VERY strict rules regarding permitted footwear when anyone enters the pitch enclosure. Rules that apply to players, those in the dugouts and supporters who, for example, want to take photos. Please read – [Permitted Footwear at The 1878 Stadium, Burnham Football Club](#)

### **For the benefit of the players**

We want people to enjoy their time at The 1878 Stadium. If for any reason you forget to bring your boots or Astros, there is a selection of boots in various sizes you can borrow while you are here. Just ask a staff member at pitch side hatch for help.

Sitting or laying on the pitch (unless genuinely injured), wearing flat shoes, trainers, sliders, socks or bear feet has the effect of ironing the grass fibres. Flattening the surface damages the complex water drainage system, causing waterlogging and dramatically reducing the life expectancy of the artificial pitch. Socks only, bear feet, shoes, trainers or sliders with flat soles are NOT permitted – No Excuses! Abusive behaviour towards staff will not be tolerated. If you want to learn why, [click here](#)

### **Please be aware:**

- All teams are asked to share permitted footwear guidance prior to match day.
- There are signs strategically positioned explaining the rules.
- Our pitch, our rules – Ignorance is no excuse.

# Non-league Football Explained (Blues Talk)

Non-league football is a term used to describe football clubs in England that play outside the professional leagues, primarily the Premier League, EFL Championship, League One, and League Two. These clubs are often part of the National League System (NLS), which is a tiered structure of football leagues in the UK. Non-league football

encompasses a wide range of clubs, from community-based teams to those aiming for promotion into higher tiers of the league system. This level of the game offers an authentic and grassroots football experience that is incredibly popular with fans due to its accessible nature and local involvement.

One of the most exciting aspects of non-league football is the ability for clubs to climb up the football pyramid. The National League is the top tier of non-league football and sits just below League Two in the football league system. From here, teams can be promoted to the Football League, marking a significant achievement for any club involved in non-league football. The National League North and South also serve as feeder leagues for the National League, offering another opportunity for clubs to progress and rise in the ranks of English football.

In non-league football, competition is fierce, but it's not only about the matches. Clubs often boast a strong community spirit, where supporters form close relationships with players and management. Fans play a key role in the atmosphere of non-league games, with many grounds offering a unique and intimate experience that larger stadiums cannot provide. Local derbies, passionate fan bases, and affordable ticket prices contribute to the charm of non-league football.

Another notable feature of non-league football is the FA Cup, the oldest national football competition in the world. While teams in the Premier League and Championship enter the competition at later stages, non-league clubs compete from the early rounds, often producing giant-killing performances against much higher-ranked teams. These matches, where smaller clubs upset professional teams, are a highlight of the football calendar, generating excitement and media coverage.

Non-league clubs are typically part-time operations, and many players juggle their football careers with regular jobs. This contrasts with full-time professionals in the top leagues. Despite this, the commitment and passion shown by non-league players are undeniable, and many players use non-league football as a stepping stone to move up the ranks of the professional game. For some, it's a chance to build their reputation, while for others, non-league football remains a fulfilling career.

The non-league football scene is also known for its affordability, with lower ticket prices compared to Premier League and Championship matches. This makes it a popular choice for families and individuals looking to experience live football without the hefty price tag. Clubs rely heavily on matchday income and local sponsorship to survive, so fans attending games and supporting their local teams are vital to the continued success of non-league clubs.

In recent years, there has been a resurgence of interest in non-league football, as fans increasingly crave a return to more traditional, community-focused football experiences. Whether you are watching the local club from the stands or playing for a team in the lower tiers, non-league football remains an integral part of the UK football scene, offering passion, excitement, and the possibility of upward progression.

In conclusion, non-league football provides a unique and exciting aspect of English football, with its local focus, competitive spirit, and strong community ties. Whether you are supporting a team, attending a match, or enjoying the thrill of cup competitions, non-league football offers a football experience unlike any other.
