A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground, winning the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup.

AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying our FIFA Certified 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

Brief history of Harefield United FC

Harefield United are the oldest football club in Middlesex, founded in 1868. Originally known as Harefield Victoria, our rich history spans over 150 years. In 1891, we celebrated a memorable 1-0 win over Rickmansworth Rovers, with G Harland scoring the only goal. That match featured players like D Collett, C Milton, and J Varcos. In 1934, after merging with Harefield FC, we officially became Harefield United.

Our journey through the local leagues has been marked by steady growth and significant success. In the 1940s, we clinched the Uxbridge & District League's Division 3 title and won the Uxbridge Junior Cup. By the 1960s, we had earned titles in both the Great Western Combination and the Parthenon League, solidifying our place as a respected club in the area. The 1970s brought bigger challenges, but we rose to meet them, securing Athenian League status in 1975. By 1984, we had become a founding member of the Isthmian League, earning a place in Division Two (South) after a few years of consolidation. Our peak came in the late 1980s when we finished 7th in the 1990-91 season, marking one of our strongest performances.

Despite some struggles in the Isthmian League, our spirit never wavered. In 1996, after financial difficulties led us to resign from the league, we joined the Spartan League. Here, we saw early success, winning the League Cup in 2002 and the Challenge Trophy in 2003. We've also made great strides at the youth level. Our U18 team won the Middlesex Youth Cup in 2006, and our senior team narrowly missed promotion to the Premier League that same year.

In recent years, we have continued to build on our proud legacy. We finished as runners-up in the Spartan South Midlands League Premier Division in both 2007 and 2009. However, the highlight came in the 2018-2019 season when we achieved promotion to the Premier Division, finishing unbeaten and earning our first-ever "Invincibles" title. We were led by Jason Shaw up until the end of the 2022-2023 season, at which point Ray Green took charge for the 2023-2024 campaign, until we found a full-time replacement. Wayne Carter took over in October immediately made an impact, bringing in loan players from Hanwell Town and Slough Town to stabilize the team. We finished mid-table that season, setting the stage for greater things to come.

The 2024-2025 season was one to remember. We embarked on a thrilling FA Cup run, defeating Beckenham Town (Step 4) and Lewes FC (Step 3), before a heartbreaking last-minute goal from Hastings United (Step 3) ended our campaign. But our league form was exceptional, as we ended the season on a 9-home game winning streak and finished 4th, securing a spot in the Play-offs. We knocked out Amersham Town in the semi-finals but were narrowly defeated by Bedfont Sports in the final. After the season, Wayne Carter moved on to Harrow Borough, taking the majority of the playing squad with him. We didn't hesitate in making changes, bringing in Richard Pacquette, one of our former "Invincibles," as Player Manager for his first role in management. Pacqs has been hard at work with his new management team, bringing in Marc Charles-Smith and Hamza Marchoud to help steer the club forward. Together, they've been building a fresh squad in pre-season, aiming to continue our progress and keep pushing Harefield United to new heights.

Heading into the 2026/27 season, Pacqs, Hamza, and Marc remain in charge with the addition of former player Ben Payne. After an up and down first season in 2025/26, Pacqs and his team have worked hard to build a squad ready to compete on all fronts throughout the season.

Our FIFA Certified 3G Artificial Pitch

Burnham Football Club has invested heavily in a FIFA Certified state-of-the-art 3G artificial pitch. Along with free parking and hospitality, this is the perfect facility for hosting charity matches, corporate football matches or even filming promotional videos. If you would like to book our 3G pitch you can do it using the booking form provided here. Simply tell us your dates and times and we'll talk to you about availability and payment.

If you arrive early, for whatever reason, no problem. You can wait in the Blues Bar or in the outside seating area until your allocated start time. We also ask you to allow enough time before your paid session ends for the hand over. Once you have finished your match why not grab some refreshments from the Blues Bar and Cafe before leaving The 1878 Stadium. Further information: What's the difference between 3G and 4G?

Pitch dimensions

115 yards by 75 yards. The distance of pitch from the dressing rooms is 5 meters.

Important information for players, managers and spectators

We have VERY strict rules regarding permitted footwear when anyone enters the pitch enclosure. Rules that apply to players, those in the dugouts and supporters who, for example, want to take photos. Please read – Permitted Footwear at The 1878 Stadium, Burnham Football Club

For the benefit of the players
We want people to enjoy their time at The 1878 Stadium. If for any reason you forget to bring your boots or Astros, there is a selection of boots in various sizes you can borrow while you are here. Just ask a staff member at pitch side hatch for help.

Sitting or laying on the pitch (unless genuinely injured), wearing flat shoes, trainers, sliders, socks or bear feet has the effect of ironing the grass fibres. Flattening the surface damages the complex water drainage system, causing waterlogging and dramatically reducing the life expectancy of the artificial pitch. Socks only, bear feet, shoes, trainers or sliders with flat soles are NOT permitted – No Excuses! Abusive behaviour towards staff will not be tolerated. If you want to learn why, **click here**

Please be aware:

- All teams are asked to share permitted footwear guidance prior to match day.
- There are signs strategically positioned explaining the rules.
- Our pitch, our rules – Ignorance is no excuse.

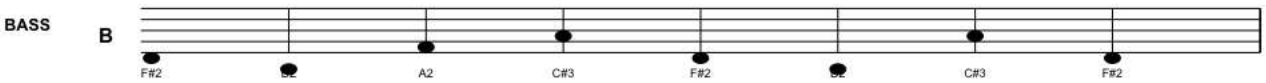
BURNHAM ON THE CHARGE

Supporters' Band Arrangement - approx. 129 BPM - 4/4 - reconstructed from the supplied mixed recording

Burnham, always on the charge - Oooh! Always on the charge! - Sometimes in defence - But mostly on the charge - Burnham on the charge, oooh!



PLAYING NOTE	Brass doubles the chant melody. Bass holds one root note per bar. Drums keep a strong four-beat terrace pulse. Repeat the complete 8-bar cycle x4 (or continue as required).

Arrangement note: this is a practical reconstruction from a short mixed audio clip, not a note-for-note isolated-stem transcription.
