A BRIEF HISTORY OF BURNHAM FOOTBALL CLUB

Founded in 1878, Burnham Football Club is the second oldest club Buckinghamshire. We played in the early years, with considerable success, in various leagues, before joining the Great Western Combination in 1948. We moved to the Wycombe Combination in 1964 and then spent one season (1970/71) in the Reading Combination. In 1971 the club was elected to the Hellenic League. Winning both the Premier Division and League Cup in 1975/76. We were also twice beaten finalists in the League Cup too.

In 1977 the club were elected to the Athenian League and were twice runners-up before the league folded in 1984. We competed in the London Spartan League in 1984/85. Winning both the Premier Division title and the League Cup.

The summer of 1985 bought about the amalgamation of the football club with Hillingdon Borough FC, who had lost their ground and were about to fold. We played in the Southern League as Burnham & Hillingdon FC and reverted back to the former name of Burnham FC in 1987. Season 1994/95 saw us finish bottom. Resulting in relegation to the Hellenic League.

After 3 seasons in the Hellenic League, finishing fifth, third and again third in 1998/99. the club won both the Premier Division title and the League Cup. Therefore, gaining promotion back to the Southern Football League. The 2006/07 season saw us achieve our highest league position. Finishing 3rd and thus qualifying for the end of season Promotion Play-Off semi-final. Unfortunately losing to the eventual winners – Swindon Supermarine.

The 2012-2013 season was, without doubt, the most successful in the football club's history. The First Team won the Evo Stik League Southern Division One Central (Southern League) championship. Earning promotion to the newly sponsored Calor League Premier Division (Southern League), while our Reserves won the UHLSPORT Hellenic League Division Two East championship at the first time of asking. Earning promotion to Division One East where they came up against the First Teams of many of the previous season's opposition.

CUP COMPETITION HISTORY

In cup competitions Burnham reached the Quarter Final of the FA Vase in 1977/78 and then went one better in reaching the Semi Final in 1982/83. Losing 4-2 over two legs to Halesowen Town. The clubs record attendance of 2400 was achieved in the home leg. We have twice reached the Third Qualifying round of the FA Cup and in 2005/06 we reached the First Round Proper for the first time ever, before losing at home to Aldershot Town. In the F.A.Trophy we reached the Fourth Round (the last 16) in 1999/2000. Before losing to Scarborough in a replay after a creditable 1-1 draw at The Gore. In the Berks & Bucks Senior Cup we reached the Semi Final twice before losing on both occasions to Chesham United.

On the 22nd May 2024 the blues were successful in beating Virginia Water 2-1 at the Racecourse Ground, winning the 2023/24 Combined Counties Football League / Cherry Red Records Premier Challenge Cup.

AND NOW...

Burnham FC now play in the Cherry Red Records Combined Counties Premier League North. During the Covid-19 pandemic the renamed 1878 stadium and its facilities have undergone a major refurbishment programme. Providing the new chairman, Glenn Skivington, with the chance to achieve one of his key objectives of building closer links with local clubs and the local community. We now have more teams, more clubs and more leagues enjoying our FIFA Certified 3G pitch which was completed in July 2021. Going forward Burnham Football Club will continue to develop as a local sports facility. Creating a pathway for young players, whether they want to play professionally or build a career within the sports industry.

Wokingham Town FC – A 150-Year History

Celebrating its 150th season last year, Wokingham Town Football Club (WTFC) stands as Berkshire's fourth-oldest club. Following early triumphs in the Ascot League in 1912 and the Reading Temperance League in 1925, WTFC launched a successful initiative to raise £750 to purchase its Finchampstead Road ground in 1928.

By 1953, the club entered senior football, setting the stage for a legendary 1957/58 FA Amateur Cup campaign. The team defied the odds to reach the quarter-finals, famously defeating West Auckland in an FA-ordered replay before losing to Crook Town in front of a club-record crowd of nearly 10,000 spectators.

Following a 1969 Berks & Bucks Senior Cup victory, the 1980s delivered unprecedented milestones: In 1981/82, WTFC won the Isthmian League Division to earn Premier Division promotion and captured a second Berks & Bucks Cup. Crucially, they reached the FA Cup first round proper for the only time, famously drawing Cardiff City 1-1 before a 3-0 defeat in the Welsh capital.

The 1987/88 season was arguably the club's most successful season, featuring a League Cup semi-final and a massive FA Trophy semi-final against Telford United, attracting more than 6,000 spectators across the two legs. After selling Finchampstead Road, the club navigated a nomadic period until merging with Emmbrook Sports in 2004 to form Wokingham & Emmbrook FC (WEFC). The next decade brought Hellenic League success under managers such as Tony Calvert , Wayne Wanklyn , Roger Herridge Dan Bateman and current manager Matt Eggleston who then stepped down with Eliot Whitehouse and Matt Cronan taking the reigns until Matt returned with Darren Purbrick in 2024. This period yielded multiple Reading Senior Cup victories winning in 2011/12 and retaining it for 2 years in 2012/13 and the 2013/14 season. and a 2014/15 Division One East championship.

Unfortunately, stringent FA ground requirements forced a ground-share with Henley Town, resulting in relegation. In response, a 2017/18 revamp saw the thriving youth committee take over senior operations under chairman Steve Williams. The Sumas returned to an upgraded Lowther Road facility in 2019/20. Despite the pandemic curtailing consecutive seasons, their dominant unbeaten form earned them promotion to the Combined Counties North in 2021.

Following intense relegation battles, managerial stabilisation under Darren Purbrick and former player Matt Eggleston secured back-to-back 14th and 15th place finishes. With Eggleston managing solely for the 2025/26 campaign, the club remains deeply rooted locally. The team finished mid-table in 2025/26, and secured a place in the League Cup final narrowly being edged out in added time by promoted League runners up Windsor and Eton FC,

Today, Wokingham Town proudly fields more than 70 teams from age seven upwards, encompassing youth academies, women's squads, reserves, veterans, and walking football.

Our FIFA Certified 3G Artificial Pitch

Burnham Football Club has invested heavily in a FIFA Certified state-of-the-art 3G artificial pitch. Along with free parking and hospitality, this is the perfect facility for hosting charity matches, corporate football matches or even filming promotional videos. If you would like to book our 3G pitch you can do it using the booking form provided here. Simply tell us your dates and times and we'll talk to you about availability and payment.

If you arrive early, for whatever reason, no problem. You can wait in the Blues Bar or in the outside seating area until your allocated start time. We also ask you to allow enough time before your paid session ends for the hand over. Once you have finished your match why not grab some refreshments from the Blues Bar and Cafe before leaving The 1878 Stadium. Further information: What's the difference between 3G and 4G?

Pitch dimensions

115 yards by 75 yards. The distance of pitch from the dressing rooms is 5 meters.

Important information for players, managers and spectators

We have VERY strict rules regarding permitted footwear when anyone enters the pitch enclosure. Rules that apply to players, those in the dugouts and supporters who, for example, want to take photos. Please read – Permitted Footwear at The 1878 Stadium, Burnham Football Club

For the benefit of the players
We want people to enjoy their time at The 1878 Stadium. If for any reason you forget to bring your boots or Astros, there is a selection of boots in various sizes you can borrow while you are here. Just ask a staff member at pitch side hatch for help.

Sitting or laying on the pitch (unless genuinely injured), wearing flat shoes, trainers, sliders, socks or bear feet has the effect of ironing the grass fibres. Flattening the surface damages the complex water drainage system, causing waterlogging and dramatically reducing the life expectancy of the artificial pitch. Socks only, bear feet, shoes, trainers or sliders with flat soles are NOT permitted – No Excuses! Abusive behaviour towards staff will not be tolerated. If you want to learn why, **click here**

Please be aware:

- All teams are asked to share permitted footwear guidance prior to match day.
- There are signs strategically positioned explaining the rules.
- Our pitch, our rules – Ignorance is no excuse.
